

One day you'll be mine

Little kisses on your lips
are the pleasures I've from you
I'd like to cry, I love you
I love you... I love you
but I can't
no...no... no.

I hold your hands
I look into your eyes
and I give you a kiss
yes...yes...yes.

I want you... you-you... you-you
I want you... you-you... you-you
I want you all for me
yes...yes...yes.

But ... you can't be mine
I can't love you
you belong to another one.

I want you... you-you... you-you
I want you... you-you... you-you
I want you all for me
yes...yes...yes.

But ... you can't be mine
I can't love you
But ... you can't be mine
I belong to another one.

I'd give all myself to you
I'd feed on your love
but ... no...no...no.

I'd hug you to my breast
holding each other tight
I'd sink my soul into yours

I want you... you-you... you-you
I want you... you-you... you-you
I want you all for me
yes...yes...yes.
One day you'll be mine
